如遇火警

- 1) 逃離危險地帶。
- 2) 擊破最近之火警警報箱玻璃。
- 3) 通知接線生(內線“4444”)或致電“999”證實火警發生。
- 4) 在安全情況下,使用就近的滅火工具撲滅火警。

疏散程序

- 1) 如接獲**局部疏散**指令,由防火或防煙門轉移到在同一樓層內之安全位置。
- 2) 如接獲**整體疏散**指令,於就近之出口疏散到樓下外之集合地點,集合地點由火警現場之當值主管作出決定。
- 3) 切勿乘搭升降機。

特別指示

- 1) 如火警並非發生於你的所屬區域,同事應留守原位,並為疏散作好準備。
- 2) 火警警報期間,暫離部門之當值員工應於情況許可下返回其所屬之工作地點,留守原位並等候當值主管之指示直至警號解除。

IN CASE OF FIRE

1. **MOVE** away from IMMEDIATE danger.
2. **ACTIVATE** the nearest fire break glass unit.
3. **CONFIRM FIRE** by calling ext. No.4444 or dialing 999.
4. If safe to do so, **ATTACK** the fire with available fire fighting equipment nearby.

EVACUATION

1. If **PARTIAL** evacuation is ordered, move to a safe area on the same floor of building through fire and smoke doors.
2. If **TOTAL** evacuation is ordered, move to an assembly point away from the building through the nearest exit. Assembly location is to be determined by the duty officer in-charge at the fire scene.
3. Do not use lift.

SPECIAL INSTRUCTIONS

1. If fire is not within your area, stand by and prepare for possible evacuation.
2. During the fire alarm, staff on duty but temporarily away from department should return to their original work places if the situation allows. Stand by and wait for the instruction of duty officer in-charge until the fire alarm is over.

2. If **TOTAL** evacuation is ordered, move to an assembly point away from the building through the nearest exit. Assembly location is to be determined by the duty officer in-charge at the fire scene.
3. Do not use lift.

SPECIAL INSTRUCTIONS

1. If fire is not within your area, stand by and prepare for possible evacuation.
2. During the fire alarm, staff on duty but temporarily away from department should return to their original work places if the situation allows. Stand by and wait for the instruction of duty officer in-charge until the fire alarm is over.

4. If safe to do so, **ATTACK** the fire with available fire fighting equipment nearby.

EVACUATION

1. If **PARTIAL** evacuation is ordered, move to a safe area on the same floor of building through fire and smoke doors.
2. If **TOTAL** evacuation is ordered, move to an assembly point away from the building through the nearest exit. Assembly location is to be determined by the duty officer in-charge at the fire scene.
3. Do not use lift.

SPECIAL INSTRUCTIONS

1. If fire is not within your area, stand by and prepare for possible evacuation.
2. During the fire alarm, staff on duty but temporarily away from department should return to their original work places if the situation allows. Stand by and wait for the instruction of duty officer in-charge until the fire alarm is over.
